

# Eccleston Lane Ends Primary School Reading Newsletter

## Autumn 2023

Welcome back to our reading newsletter, Autumn Term edition. Our reading ambassadors have been busy setting up our new reading café, which you can read about in our newsletter. We have also welcomed some new Year 3 Reading Ambassadors too!

A beautifully heartfelt and moving story which highlights global warming!

# Look at our new Reading Café!

Our dedicated reading ambassadors have been working hard and have set up a lovely space to read to our Key Stage 1 children. They start by sharing a book with one or two children before gathering them altogether to read a book as a group. The children have been superb reading role models, organised and have fully run this club themselves. I'm so proud of them!

Hi! I'm Saoirse and I'm in Year 5. I do Silver Readers, as I love reading. Silver Readers is where young people like me, read to old people, who are lonely. I read to an old couple called Alan and Jill. I am currently reading Bad Dad from my school library. I really enjoy reading and it makes my Sunday and, at the end of every session, they say that it makes their week.

Don't forget to be noting down your reading in your reading log/planners. This is important so that staff can find out what you are reading. They may even be able to direct you to some books to challenge you or based on your interests.
