

Chapter Sequencing

Put these events in the order in which they happened in the story, numbering them from 1 to 5. The first one has been done for you.

There was a rumour about the volcano being fake, but Seb convinced everyone that the rumours were nonsense.

The eruption of the volcano became a big news story.

Maxim wanted to include Seb and Ellie's ideas in her new venture.

Seb was interviewed by newspaper journalists and also appeared on television.

The scientists thanked the school party for being brave and sensible and gave them a treat.
