

Chapter Sequencing

Put these events in the order in which they happened in the story, numbering them from 1 to 5. The first one has been done for you.

Jay thought that pretending to be Mr Jones was going to be easy.

Before the start of the school day, Mr Jones reminded Jay of the plan.

The class chanted loudly and Jay felt out of control.

Mr Jones tipped a bin over Jay's head.

Jay began to realise that following the plan was going to be tricky when the class kept asking for extra football practice.
