

Chapter Sequencing

Put these events in the order in which they happened in the story, numbering them from 1 to 5. The first one has been done for you.

Safia and Rob played a little trick on their classmate.

Safia and Rob enjoyed looking at the dinosaurs in the Natural History Museum.

Safia put the piece of fabric in her coat pocket.

Safia noticed something strange in her favourite section of the museum.

Safia realised that the piece of fabric had special powers.
