

Spelling, Punctuation and Grammar

1. Choose the correct spellings to complete the sentences below.

When I checked my bag, the mask was *knot/not* there. I wasn't sure *weather/whether* I had dropped it on the way home. Rob and I searched everywhere *accept/except* the school, *witch/which* was closed.

2. Complete the sentences below by adding a **determiner** into each gap.

Rob came to my house to complete ____ homework task. We realised that we had ____ problem: the mask had gone. Rob had ____ idea. He thought that we should take ____ walk and retrace our steps.

3. Look at the sentence below. Underline the two **pronouns**.

It would probably be something boring about schools, but at least she had chosen our school to come to.

4. Look at the sentences below. Insert a comma after each **fronted adverbial**.

For a second the Prime Minister moved a little to the side.

Diving forward I reached towards the Prime Minister's face and ripped off the mask.

On the way home from school I threw the mask into a dustbin.

5. Rewrite the sentence below so that it is in Standard English.

Dave Clash thought what he done was well funny.
