

## Chapter Sequencing

Put these events in the order in which they happened in the story, numbering them from 1 to 5. The first one has been done for you.

On the day of the competition Ben's parents drove Ben and Rocky to school.

1

Ben and Rocky waited backstage until it was their turn to perform.

Ben used his paws to pretend to clean his teeth.

Ben was alarmed to discover that his paw was pink and had fingers.

Ben walked across the stage on his back legs.
